

I ASSESS MUSCULOSKELETAL INJURIES. I AM HEALTHCARE

I am part of A Healthcare Team and Provide Medical intervention and care to Athlete's injuries

As an Athletic Trainer, I evaluate and treat head injuries to protect your child's brain and future. I am Healthcare.

I am healthcare because my patient care is multidisciplinary #NATM

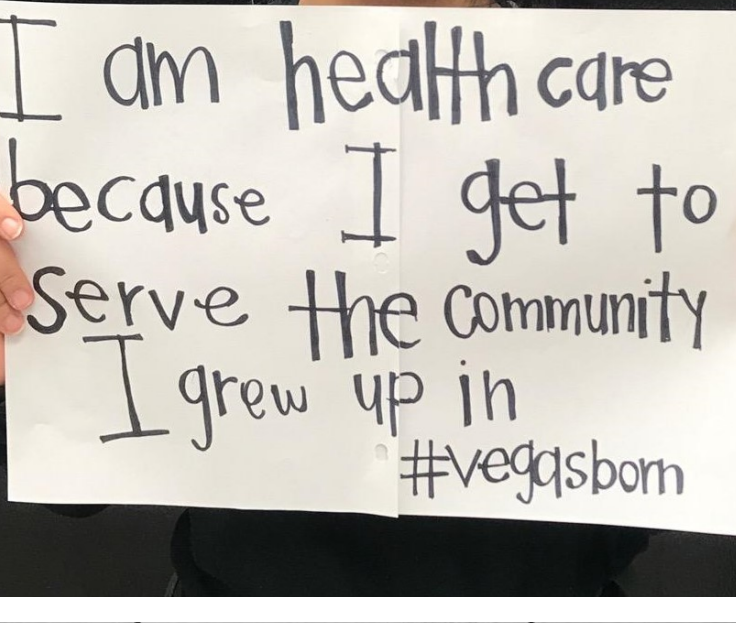

I AM A Problem Solver

I teach students how to plan for and handle emergency situations. I am an athletic trainer and I am health care.

I am health care because I get to serve the community I grew up in #vegasborn

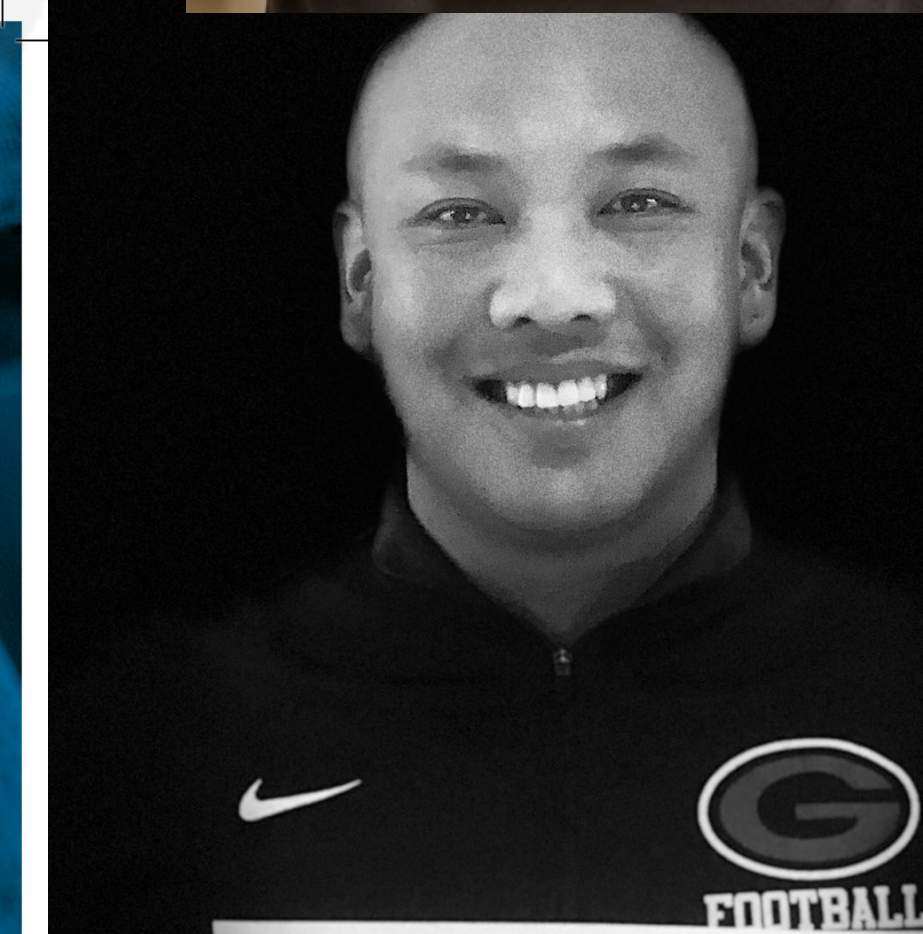

I team-up with doctors and physical therapists to help injury recovery. I am an Athletic Trainer

# ATS ARE HEALTH CARE

From little leaguers to astronauts, and every physically demanding role in between, people of all ages deserve access to on-site health care. Athletic trainers provide preventative services, emergency care, clinical examination and diagnosis, therapeutic intervention and rehabilitative care. Keep yourself safe and covered with an athletic trainer, because athletic trainers are health care.

#ATsAreHealthCare
